Sub: - Execution and Commissioning of our Sugar Project.

Dear Sir,

An agreement was signed with you on 4th August 2000 for design, manufacture, procure and supply the machinery and equipment. Erection and commissioning of a 2500 TCD expandable to 3500 TCD sugar plant.

The plant was commissioned in a very short period on 20th Sept. 2001 and it took about 9 months to complete the plant after start of erection.

We were able to crush 4,58,178 MT cane and produce 5,14,755 quintal of sugar within 159 days crushing.

During the execution period, the efforts put-up by your officers, staff at site and head office was highly commendable. Your efforts supported by our management and technical staff has been fruit-ful in completing the project successfully.

After the commissioning, the unit has been working to the over all satisfaction of the Management.

We put on record our appreciation of the efforts put by you for completion of the project and also the over all working of the plant.

To judge the performance parameters according to the agreed contract, the operation data have been jointly compiled and recorded for a period from 16.12.2001 to 25.12.2001 and the same is satisfactory.

In future also we expect your co-operation whenever we are in need of the same.

Thanking you.

Yours Faithfully,

(H. B. Dange)
